

## ATVMX EVENT DETAILS

**August 22-24, 2019**

### **Parking:**

ATVMX Pro parking will be adjacent to the Pro Paddock on Thursday from 3 – 6 PM. All occupants of your vehicle must have an MX Sports Pro Pass in order to enter the Gate. Enter via the **Will Call Gate** off of Route 47. See attached, *ATVMX Parking Plat.*

### **Registration & Credentials:**

2019 ATVMX Pro License, Crew and Guest hard cards are will be honored for gate and paddock access for the weekend. You may purchase additional credentials for your crew and guests at the rate of \$60 each at Will Call/Industry Services at the **Will Call Gate**.

Registration will be held at the Amateur Registration Booth located outside the Pro Paddock Main Gate, where you will obtain your transponder.

### **Racetrack:**

ATVMX will run the additional Pro sections of the racetrack. If more than 20 riders attend, we will not have an LCQ but will double gate the start.

### **Saturday Program:**

This combined ATV and Bike pro event was specifically designed to take advantage of the large crowds attracted to the bike pro events. We have chosen a high-profile area for your parking that will give you maximum exposure to fans on Friday and Saturday. Please be prepared with autograph stock for both days. We also plan to include the Top 3 ATVMX overall in Saturdays Opening Ceremonies with introductions and a parade lap, so please be prepared.

We hope you enjoy your weekend. And if you see one of the Shavers, give them a hug and thank them for including our program in this spectacular event.

*Have fun and race safe!*

MX Sports Pro Racing Team
